(57) **CLAIM**

The ornamental design for a mobile unit for dilution, storage, and distribution of detergent, as shown and described.

DESCRIPTION

The file of this patent contains at least one photograph executed in color. Copies of this patent with color photographs will be provided by the Office upon request and payment of the necessary fee.

1. Mobile unit for dilution, storage, and distribution of detergent

1.1 is a front perspective view of a mobile unit for dilution, storage, and distribution of detergent showing my new design with the mobile unit cover in a fully closed position;

1.2 is a front perspective view of a mobile unit for dilution, storage, and distribution of detergent showing my new design with the mobile unit cover in an open position;

1.3 is a front perspective view of a mobile unit for dilution, storage, and distribution of detergent showing my new design with the mobile unit cover in a partially open position.

The broken lines and the areas within depict portions of the article that form no part of the claimed design.
